

Jams Costumes, Inc. Model Search

Jams Costumes, Inc. is looking for models for our 2012 Dansco/FINA Catalog. We are asking our local customers for prospective models. This is a selective process, **not all applicants will be chosen**. Children or parents who are over-sensitive about rejection should not apply.

We are looking for the following criteria:

1. Excellent dancer with the ability to pose in the proper position and follow the directions of the poser and photographer.
2. Photogenic person.
3. Person who fits into the costume properly.
4. Models must be 5 years old minimum.
5. We need female models from extra small child through small adult including male models

Please be selective in the students you invite to apply. Applicants will need to send two pictures of themselves, one face shot and one full body shot. Pictures do not need to be professional. We do not return pictures, so please do not send ones that are needed back.

We will choose applicants to come in for a fit test. We will have the applicant try on several costumes and see how our samples fit the particular applicant. Applicants will also be evaluated on their ability to follow direction as well as their personality in front of the camera. Applicants are not paid for fit tests.

We schedule fit tests January thru June, with photo shoot days spread out from March thru June. All fit tests and photo shoots take place in our Attleboro, MA location and are scheduled during the business week.

Models will be selected one to two weeks before each set of photo shoot days. The chances of being chosen depend on the size the model wears, how many samples we have of that size for that shoot day and how many models have applied. Models will be paid \$100.00 per day for the photo shoots. Not all costumes that are photographed will appear in the catalog.

Please feel free to copy the enclosed Model Application Form for distribution.

We thank you for your past support!
