

**Jams Costumes, Inc.
Model Search**

Jams Costumes, Inc. is looking for models for our upcoming Dansco Catalog. This is a selective process, **not all applicants will be chosen**. Children or parents who are over-sensitive about rejection should not apply.

We are looking for the following criteria:

1. Excellent dancer with the ability to pose in the proper position and follow directions given to them by the poser and photographer.
2. Photogenic person who is energetic and outgoing.
3. Person who fits into the costume properly.
4. Models must be 5 years old minimum.
5. We need models for the following size categories:

Female: extra small child, small child, medium child, large child and small adult

Male: small child, medium child, large child, small adult, medium adult

We accept applications year-round. Completed applications should be mailed along with two recent photos of the dancer, one face shot and one full body shot. These do not need to be professionally done, however we would suggest that in at least one photo the model should be smiling. We do not return photos, so please do not send ones that are needed back. We suggest applying once a year so that we have current measurement information.

Selected applicants will be contacted to come in for a fit test. Applicants will try on several costumes to see how our samples fit their body and will also be evaluated on their ability to follow direction as well as their personality in front of the camera. We ask that you come prepared with three dance poses/moves that highlight your skills and personality. Applicants are not paid for fit tests.

All fit tests and photo shoots take place in our Attleboro, MA location and are scheduled during the business week.

Models will be selected one week before each photo shoot day. The chances of being chosen depend on the size the model wears, how many samples we have of that size for that shoot day and how many models are in that size category. Models will be paid \$150.00 per day for the photo shoots. Not all costumes that are photographed will appear in the catalog.

We thank you for your interest!
